

FDUCATION 3D PROJECTOR

DX883ST

Ultimate Short-Throw XGA Solution

High performance, high brightness and Full 3D capability, the DX883ST 3D digital projector offers outstanding digital image, versatility and value. With HDTV compatibility, rapid start-up and shutdown, the DX883ST offers ease-of-use operation. The Vivitek DX883ST digital projector also feature three HDMI inputs and HML to meet multiple device options, DLP® and BrilliantColor™ technologies, and long-life lamp promoting environment friendly operation

Features

- Native XGA resolution and displays up to WUXGA
- 3300 lumens of brightness with a 15,000:1 contrast
- 6-segment colorwheel for accurate and detailed images
- Enhanced color and display adjustments
- Sealed optical engine to keep dust out and improve performance
- High-efficiency lamps that last up to 7000 hours (in Dynamic Eco mode)
- Rated intensive use for color consistency over time* (*12 hours per day without yellowing or discoloration of image)
- 3D-Ready via DLP® Link™, Full 3D From Blu-Ray or broadcasted via cable or satellite
- VGA-Out for display on a secondary monitor
- Powerful 20 watts (10W x2) of total audio power with multiple audio-in and audio-out ports
- MHL device connectivity for streaming of content (video, audio, documents, presentations) from a compatible Android™ mobile device
- Keypad lock prevents accidental system adjustments
- Top-loading, sliding cover for quick and easy lamp replacement
- RJ45/RS-232c for integration and system administration. Integrated network monitoring and management solutions (product certified) including Crestron® RoomView™, Extron, AMX SSDP, and Telnet
- 12V trigger for simple screen/projector automation
- Anti-theft security features include: Kensington® security slot, and security bar
